Acid Bottom Wash:	Painted Bottom:	\$4.50 / Running Foot
	Unpainted Bottom:	\$10.00 / Running Foot
Pump and Flush Head		\$25.00
Shrink Wrap		Call for Quote
Unstep Mast		\$7.00/linear ft of boat (Does not include derigging)

*Square foot is determined by BUC book definition of LOA x beam for the boat year, make, and model.

Tune-Ups:	Engine:	\$244.75/engine, plus parts*
	Generator:	Time & Materials
	Diesel:	Time & Materials

**parts could include: distributor cap, rotor, condenser, points, plugs, or plug wires*

Sea Trial* is additional \$135.00

*Tune-ups are maintenance tune-ups only. If a customer is experiencing performance problems, a sea trial is required. Maintenance tune-ups are only run on a hose or at the dock. If a customer doesn't want a sea trial, we cannot guarantee the particular performance problem will be corrected, and if they bring the boat back, they will have to pay for a sea trial, plus additional repairs to correct.
